

Flowflex COVID-19 Antigen Home Test New Shelf-life Extension

Mar 18, 2023

Since the launch of its Flowflex COVID-19 Antigen Home Test, ACON Laboratories, Inc. has continued testing for product stability to extend the shelf-life. These results have been shared with the FDA. We are pleased to announce that the request to extend the **Flowflex COVID-19 Antigen Home Test shelf-life from 12 months to 24 months**, when stored at 36-86°F (2-30°C), has been granted.

The Flowflex COVID-19 Antigen Home Test has an expiration date that is extended by 12 months. Refer to the table for the new expiration date using the lot number printed on the test kit box.

Lot Number Range	New Expiration Date
COV1100041 to COV1100088	October 2023
COV1110071 to COV1110266	November 2023
COV1120041 to COV1125011	December 2023
COV2010001 to COV2010100	January 2024
COV2020003 to COV2030010	February 2024
COV2030011 to COV2030023	March 2024

Future shelf-life expiration date extensions will be communicated as they become available.
